# Participating in the Public Procurement Process

Suppliers can easily identify potential buyers in Zambia's public authorities by participating in the government's procurement process for the provision of work, goods or services. Potential suppliers must first become approved suppliers with the Zambia Public Procurement Authority. Details on how to register with ZPPA can be found at <https://www.zppa.org.zm/home> or <http://www.consulateofzambia.org/zambia-open-tenders.html>.

For specific details about a tender please contact the organization listed or the Zambia Public Procurement Authority (<https://www.zppa.org.zm/home>).

And for **general** information contact The Honorary Consul of Zambia in California - [info@consulateofzambia.org](mailto:info@consulateofzambia.org)
